Beer In the Home

Your home will be healthier when you make free use of a good beer.

The sturdiest peoples of the world drink beer—drink it from childhood to age.

The early history of our country proves the benefit of drinking beer, for the men who guided the young nation through the trials and perils of war and internal dissensions were men who not only drank beer but personally interested themselves in the brewing.

Knowing the value of beer as a food for mind and body they encouraged its use by those about them.

The proper drinking of beer is good for the weak and the well.

Be sure to order for your home.

MAUI MOURNS BALDWIN'S DEATH

Board of Supervisors Passes
Resolutions of Respect to
His Memory.

(Special Bulletin Correspondence.)
WAILUKU, July 15.—Yesterday afternoon, the Board considered the resolutions of condolence for the late Hon. H. P. Baldwin introduced by Mr. Hennings and seconded by Mr. Drummond.

Before the final passage of the resolution, the chairman called upon those of the citizens present to make a few remarks. County Attorney D. H. Case and District Magistrate W. A. McKay responded on behalf of the citizens and both spoke in highly eulogistic terms of the deeds of the deceased who was the foremost captain of industry, a leading publicist, a philanthropist, and a true friend of the Hawaiians.

The resolution was then passed unanimously.

At 5 p. m. the Board adjourned until next month.

The resolution is as follows:

Whereas the Almighty God, in his infinite wisdom, has removed from our midst our leader, friend and fellow citizen, the Hon. H. P. Baldwin;

And Whereas for many years Mr. Baldwin represented the Island of Maui in the Legislature of this Territory;

Whereas, Mr. Baldwin was the most active, progressive, and just leader in all matters, social, commercial and political, within this County, and was by far our most prominent citizen;

Therefore be it Resolved by the Board of Supervisors in and for the County of Maui that we, the representatives of all the citizens of the County, and on their behalf, do hereby express the great sorrow felt by all of our citizens at the loss of our fellow citizen and friend; that, recognizing in the death of Mr. Baldwin, Maui, has lost a leader, a philanthropist, and a doer of good deeds, second to none; and

Be it Further Resolved that copies of these resolutions be forwarded to the widow and children of the deceased, and published in the "Maui News."

DIABETES MELLITUS

Patient—Joseph Allen, Manufacturer, Collingswood, New Jersey.

Case—Diabetes Mellitus.

Diagnosis—by four physicians. Said the patient could not recover. Condition—extreme, weight reduced from 210 to 150 lbs. Could hardly think, sleep or talk. Could not attend to business. The physicians were giving opium to keep patient comfortable until the end came.

The recovery of a wealthy lady in Philadelphia who was also in the last stages of the disease caused the treatment to be changed.

A fine recovery resulted. This was all five years ago. As showing the permanence of the results obtained Allen is still well and attending to his manufacturing business at this writing (1911).

The agent employed in both cases was Fulton's Diabetic Compound.

Diabetes is now a curable disease in people of middle age and over who have recuperative power.

The Compound can be had in your city at the Honolulu Drug Co.

We will mail literature from this office and desire to advise with every case not yielding. Start letters with the name John J. Fulton Co., 645 Battery St., San Francisco.

CHAMPIONSHIP GAME WILL BE PLAYED TODAY

The championship handball game will be played this afternoon at 5 o'clock at the Y. M. C. A. between Nott and Marcellino. Both players have won all their games and the champion of the tournament will be decided this evening.

The match is expected to be a good one, and the public is invited to attend. Marcellino is picked as winner of the contest, but there are many who believe Nott can hold his own.

FOUR DOLLARS FOR BORING A HOLE

Four dollars and costs of court was the sentence handed down this morning to Pak Sung Ko, a Korean, by Police Judge Monarrat, for boring a hole through the fence of the Honolulu Athletic Park yesterday afternoon.

It was during the struggle between the Koies and the Saluts yesterday afternoon that Pak began to work on his scheme of boring a hole in the fence, through which he intended to watch the game. He had not quite finished his work when he was arrested by a police officer, who delivered him to a regular. The Korean was taken down to the police station, and this morning Judge Monarrat sentenced him to pay a fine of \$4 and the costs of court.

ARIZONAN HERE WITH FUEL OIL

The American-Hawaiian freighter Arizonan with consignments of merchandise for a host of local importers, and a large shipment of steel and bridge material for Hilo, and also three thousand barrels of fuel oil for the storage tanks of the Union Oil Company is being rapidly discharged and will be dispatched for island ports on Thursday.

The Arizonan has been at the port for the past forty-eight hours despite the misleading announcement appearing in the morning paper that the vessel was expected to arrive from the sound today. Captain Nichols reports a fair trip down from the Sound. The big freighter came in a day ahead of her regular schedule in order to get away for Hilo where a large quantity of bridge and railway

material must be discharged.

Business men were pleased at the receipt of forty sacks later mainland mail received on Saturday afternoon by the arrival of this vessel.

The merchandise shipped from the East coast of the United States and arriving by the Arizonan left New York in the steamship American on May 20th and the Hawaiian on May 26th. There was a speedy transhipment across the Isthmus of Tehuantepec.

In leaving here, the vessel will proceed to Hilo thence to Kahului and Port Allen, departing from the islands on July 20th with nearly twelve thousand tons sugar, destined for Salina Cruz.

Taking nearly twelve thousand tons sugar destined for Delaware Breakwater by the way of the Isthmus of Tehuantepec, the American-Hawaiian freighter Alaskan is reported to have sailed from Hilo today. The vessel will proceed to Salina Cruz there to tranship cargo to the Atlantic side. The vessel took on some sugar while at Honolulu.
